

## About us

We at Glaros Beach Hotel believe that your wedding / engagement is important to us, therefore we've build our best team to organize your celebration.

We provide event planning services with no boundaries.

Our team cooperates with local profesionalss in order to save you money, time and unnecassary stress.

Our years of experience have allowed us to develop close relationships with some Greece's top wedding vendors who share our passion for creating and executive beautiful and succesfull events.

## Wedding Consulting

Personalised consulting according to your preferences which includes: Budget development, Preferred wedding style, Flowers, Wedding cake and sweets, Wedding Music, Professional lighting, Photography & Videography, Invitations, Ceremony and Reception Decorations, equipment and supplies, Service Staff and first class transportation.

## "Wedding Day" Coordinator

Our event coordinators will help with the overall coordination wedding ceremony & reception and any additional events on site.

The biggest key benefit is having the peace of mind that all the details will come as you envisioned.

## Event Design and Styling

Glaros Beach Hotel has built an impressive portfolio reflecting a refined design aesthetic.

Your wedding day will be one of the most important and happiest days of your life. A great deal of planning is required to bring every magical aspect together. We transform venues into magical settings inspired by interior designs, fashion and the natural environment, using clever lighting, stunning fabric drapery and exciting props.

## Analytical Timeline of your event

Our team will build a well-constructed wedding timeline that will help make your wedding day run smoothly.

Suggesting and hiring  
of wedding vendors  
and service providers

Photographers, videographers, beautician, florists and bakers are some vendors that our team is urged to find. They will easily find an expert for any part of your wedding that matches your preferences and budget.

## Full Wedding Coordination

Full Wedding Coordination is designed for the couple who is busy and requires the help of a professional overseeing every aspect of their wedding day from the very beginning to the end.

## Legal Requirements

Glars Beach Hotel team will advise you as to what paperwork you need before the wedding and answer to any questions you may have.

## Honeymoon Experience

Our team will suggest and provide you assistance with many vendors to organize a beautiful honeymoon trip.
